The order of the dasha lord planets, their respective individual durations and total time-cycle (=36 years) are common to both the Yogini and Shat-Trimsha Dasha-systems - except for the single difference that the commencing dasha becomes different in the two cases.

Parashara's recommendation is that if birth takes place during day-time in Sun's Hora or in night-time in Moon's Hora Shat Trimsha Dasha-System should be adopted.

As an extension to this principle, if birth takes place in night time in Sun's Hora or in day-time in Moon's Hora, Yogini Dasha-System should preferably be employed.

## Prediction On The Basis of Bhavas

### Ascendant Lord

In your chart, the Ascendant-lord is situated in the twelfth house, which is called the house of expenses (Vyaya). Besides, this house has governance over bed, bed-pleasure, espionage, sinful deeds, bed-ridden condition, imprisonment, long-duration staying in foreign countries or distant places, back-biters and hidden enemies, misery, poverty, decline, confiscations and losses. This house also rules over the left eye and feet. Since most of the attributes are unfavourable, it is not a fortunate thing to have the Ascendant-lord situated in the 12th house -- unless some modifying combinations are present in the chart. However, if your Ascendant is Aquarius, it will give rise to an auspicious 'yoga' and will offer beneficial results in almost all respects. If a natural benefic planet is situated with the Ascendant-lord or aspects it, then the position will be considerably improved; but if a natural malefic planet is situated with the Ascendant-lord or aspects it (while no other modifying influences are present in the chart), then your position will become deteriorated and you may have to undergo sufferings for facing critical situations. On the bright side, this position favours long-duration stay in distant places or foreign countries; students going to foreign countries for further studies/ researches by receiving scholarships often have this combination.

### Lord of 2nd House

In your chart, the second-lord is situated in the third house, which is called the house of courage (Vikrama). Besides courage, valour, prowess, etc this house also rules over right ear, arms, shoulders, (younger) siblings, cousins, kindred, neighbours, short journeys, news, correspondence/ communications, writings, etc. This is a favourable position for the 2nd-lord and you will be fortunate in many of these respects. You will have good education and your family-wealth will be ever-waxing. If the 2nd-lord is associated with or aspected by a natural benefic planet, your family-life will be peaceful and happy while your relationships with your kindred and neighbours will be cordial. You will be religious-minded, have a philanthropic outlook and charitable disposition and will become known for doing worthy deeds. But if the 2nd-lord is associated with or aspected by a natural malefic planet, then the opposite might hold good; nevertheless, it will make you courageous and you would always remain alert for defending your interests. As the 2nd-lord aspects the 9th house, some of your family members may reside in a distant/ foreign place and alongwith your family members, you may have occasional journeys to such places.

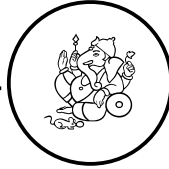

### Lord of 3rd House

In your chart, the third-lord is situated in the fifth house, which is called the house of merit (Purva-punya). Although this position is not very good for the health and well-being of your mother, this position is highly favourable for the professional prospect of your own children -- this is more so if the 5th-lord is also well-placed; this position favours good gains from speculative investments also. However, if your Ascendant is Sagittarius, you may not be very fortunate as the 3rd-lord will be debilitated in the 5th. In your own sphere of profession, although during the initial years you may have to struggle, owing to sudden change of circumstances you may be able to secure a high rise and come up in life; you are apt to become very popular and become widely known as a self-made person. If the 3rd-lord is associated with or aspected by a natural benefic planet, then you are likely to take a big risk and start a new venture which will produce rich harvests in time; but if the 3rd-lord is associated with or aspected by a natural malefic planet and the 5th-lord is also weak, then your endeavours might be wasted and you may incur losses.

### Lord of 4th House

In your chart, the fourth-lord is situated in the fourth house itself, which is called the house of happiness (Sukha). Besides, this house rules over house/ property, land and possessions, dresses and garments, perfumes and jewellery, mother, education, conveyance, mines, etc and if applicable, then agricultural produce, cattles and pets, etc also. This is a favourable position for the 4th-lord and you will be fortunate in many of these respects. You will have active habits, receive good education, enjoy peace of mind, you will enjoy happiness in your home and secure a comfortable position in

your birth-place/ home-town; you may not have much of interest for going to distant places. If the 4th-lord is a 'tara-graha' (Mars or Mercury or Jupiter or Venus or Saturn), then you will enjoy the auspicious results of the so-called 'Pancha Maha-purusha Yoga' which will surely make you an important person in the society. If the Sun is also well-placed, then your father will be long-lived; if the Moon is well-placed, then your mother will be of a very caring and affectionate nature. If the 4th house is occupied or aspected by a natural benefic planet, your wealth and possessions will be ever-waxing. But if it is occupied or aspected by a natural malefic planet, then you may have somewhat cruel and selfish nature; your actions or intentions may arouse suspicion.

### Lord of 5th House

In your chart, the fifth-lord is situated in the fifth house itself, which is called the house of merit (Purva-punya). As the horoscope is viewed as a balance-sheet brought forward in the present birth, you rest assured that you are meritorious and worthy. You will be highly fortunate and your soul will become more elevated during your journey through life. You are sure to occupy a prestigious position and enjoy a respectable place in society -- more so if the Sun is also well-placed; your children will also be very worthy and you will be religious-minded -- more so if Jupiter is also well-placed. If the 9th-lord or Mercury is well-placed, then you will have higher education. Unless the 10th-lord is well-placed, you may have a few changes in profession during the early stages of your career; but if the 10th house is associated with or aspected by a benefic planet, the situation will be improved soon. If the 5th house falls in a 'firy' sign (Aries, Leo or Sagittarius), then you may become a spirited person but if it falls in 'airy' signs (Gemini, Libra or Aquarius), then your intellectual qualities will be pronounced. If a benefic planet is situated in the 5th or aspects it, then you will have good gains from speculative investments.

### Lord of 6th House

In your chart, the sixth-lord is situated in the fifth house, which is called the house of merit (Purva-punya). If your Ascendant is Virgo, then the 6th-lord will be the 5th-lord as well; for being situated in own-sign in the 5th, it will offer you gains from speculative investments; you may do well in competitive examinations and may become well-placed in service if a natural benefic planet is situated in the 6th or aspects it. Otherwise, this position is not favourable; you may lose your discrimination, may fail in competitive examinations and your children may cause you worries. If your Ascendant is Taurus, then the 6th-lord will become debilitated in the 5th; it may not allow you to secure a good rank easily, you may be in service in private companies and may have job-changes a few times. If the 6th-lord is a natural malefic planet or if such a planet is situated in the 5th, it may give difficult child-birth and harm the prospects of your children -- this will be more so if the Sun is in the 6th while either Rahu or Ketu is also situated there. If your Ascendant is Scorpio, then the 6th-lord Mars will aspect the 12th house; you may suffer from some disease or injury affecting your feet for which you might even need hospitalization.

### Lord of 7th House

In your chart, the seventh-lord is situated in the third house, which is called the house of courage (Vikrama). If your Ascendant is Leo or Aquarius, then the 7th-lord will be exalted in the 3rd; this will make you fortunate in respect of marriage. Your spouse will hail from a wealthier family and she/ he might be from the neighbourhood or from a very short-distance place. But if your Ascendant is Taurus, then your 7th-lord will be debilitated in the 3rd; your spouse may meet with some misfortune in a distant place or a foreign country. With such placement, you may not be fortunate in respect of your younger co-borns if your Ascendant is either Taurus or Libra. However, if your Ascendant is Taurus or Cancer or Leo or Libra, you will be courageous and will have a longing for enjoying the company of the members of the opposite sex but the 7th-lord is 'retrograde', then you may not be really interested to get married -- more so if the 7th-lord is situated in the star of a natural malefic planet; besides, you might be prone to face traffic accident(s) while returning home back once or more in your life. If your Ascendant is Cancer or Leo and if the Moon is also situated in the 3rd, then the health and well-being of your mother might cause you some concern. This position is likely to make you employed in private organisations and may give a few changes.

### Lord of 8th House

In your chart, the eighth-lord is situated in the twelfth house, which is called the house of expenses (Vyaya). This is a favourable combination in respect of having material gains as a trika-lord situated in another trika house gives rise to beneficial 'Veepareeta Raja Yoga'. This yoga favours having sudden gains from unexpected sources but this happens in a place quite far away from the birth or native place. But for its peculiar attribute, you may tend to live dangerously and you may have some secret enemies in your circle who would like to cause you harm. You will possess a special ability to effectively utilise any available opportunity; but you may have to use dubious methods for fulfilling your purpose, which may later create problems for you. You may tend to take big risks and consequently may remain in perpetual tension. Although normally you will remain in good health and high spirits, accidental mishaps might occasionally lead you to bed-ridden condition and you may need hospitalization for short-durations.

If a natural benefic planet is situated in the 12th house or aspects it, you may become very extravagant; but

if a natural malefic planet is placed in the 12th house or aspects it, you may run the risk of incurring losses.

### Lord of 9th House

In your chart, the ninth-lord is situated in the second house, which is called the house of wealth (Dhana). This is one of the important 'Dhana Yoga' combination and you will become very highly fortunate. If the 2nd-lord is situated in the 2nd or the 5th or the 9th, then the beneficial results will be further boosted. If your Ascendant is Virgo or Pisces, then the 9th-lord will be the 2nd-lord also and for being situated in own-house, they will boost the blessings of 'Dhana Yoga' further. However, if your Ascendant is Taurus, Gemini, Leo or Pisces, your 9th-lord will be a dire malefic planet which can make your speech harsh and may cause some dissensions in the family; this problem will be mitigated if the 2nd-lord is well-placed or if a natural benefic planet is situated in or aspects the 2nd house. As the 2nd rules over family, wealth, etc whereas the 9th signifies fortune, father, foreign country, etc., your father may have influx of wealth which might be from foreign sources and your family-wealth will greatly increase. As the 9th is the 5th from the 5th while the 2nd is the 10th from the 5th, your children will be very successful in profession and will occupy prestigious positions; they may do well in entertainment or investment fields.

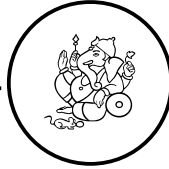

### Lord of 10th House

In your chart, the tenth-lord is situated in the ninth house, which is called the house of fortune (Bhagya). This is a highly beneficial combination as it constitutes partial 'Maha-Bhagya Yoga'. In addition, the 9th-lord is also situated in the 10th, then it constitutes 'Dharma-Karma Yoga' which is the most praised planetary combination. If your Ascendant is Scorpio, then the yoga will gain further strength and if the Ascendant-lord or Jupiter is also well-placed, you will be a devoted religious person. Your mind will remain in exalted state and you will always remain engaged in performing worthy deeds. You will love the company of pious people, enjoy studying religious classics and listening to devotional discourses and will remain associated with the works for social upliftment; you may remain actively engaged in charitable deeds and philanthropic activities. You will become renowned, widely respected and your reputation will be lasting. You will have high education, hold a prestigious position and will be well-respected in society. Rather than words, you would live by your deeds and people will treat you as an embodiment of virtues.

You will have pilgrimages and may go to distant foreign places on academic, cultural or religious missions.

### Lord of 11th House

In your chart, the eleventh-lord is situated in the ninth house, which is called the house of fortune (Bhagya). This is a highly beneficial position and you will be exceedingly fortunate. As the 11th house rules over earnings and the 9th house rules over fortune while the 9th is the 11th from 11th, it gives rise to an auspicious 'Dhana Yoga' which bestows influx of wealth from various sources. As the 9th house rules over foreign countries and distant inland places, your earnings are likely to accrue from such sources. As the 9th and the 11th both rules over long-distance and foreign journeys, you may travel a lot for pleasure and profit. This position gives you good education also and as the 9th house governs over publications, you may do well in publishing business or a number

of books written by you might be published for which you would receive high acclaim. As the 11th rules over ambition and realization, some of your ambitions will be realized and your cherished desires will be fulfilled. As the 11th is the 8th from the 4th while the 9th is the 6th from the 4th, it gives 'Veepareeta Raja Yoga' for your mother from whom also you will have much gains as she is destined to rise to a high position in society. If your Ascendant is Cancer or Virgo, the position will produce harvests in abundance since the 11th-lord will become exalted.

### Lord of 12th House

In your chart, the twelfth-lord is situated in the second house, which is called the house of wealth (Dhana). If your Ascendant is Sagittarius, then the 12th-lord will be the 5th-lord also; in the 2nd it will be exalted and will give 'Dhana Yoga' results; you will have influx of wealth and will be very happy. Otherwise, this is an unfavourable combination and gives rise to unfavourable 'Dainya Yoga' as the 12th-lord which signifies losses is never desirable in the 2nd which is the house of wealth. As the 12th indicates medical and wasteful expenses and hospitalization while the 2nd indicates the family, the possible results can be summed up easily. However, if the 2nd-lord is well-placed and if a natural benefic planet is situated in the 2nd or the 12th or aspecting either of these two houses, then the results will be improved. If Jupiter influences the 2nd house by position or aspect, then some member of your family might go to a distant place or a foreign country for residing there for long; if Venus influences the 2nd house, then marriage-ceremony may be the reason for such 'leaving'. If your 2nd-lord is a natural benefic planet, it will give you good eye-sight and will make your speech pleasing -- if there is no contrary combination present in your chart. But if the 2nd-lord is a natural malefic planet, then for obtaining favourable results, we would have to check for the presence of beneficial planetary combinations involving the 2nd house and its lord.

## Result for Planets in Bhava Kundli

### Sun

Since the Sun is situated in your 4th house and thereby has lost his directional strength (Dik Bala), you may not have much of chance of receiving honours till a very late age-period in life -- unless some modifying influences are present in your chart. You are likely to remain attached to your father and might be proud of your material possessions. If your Ascendant is Taurus, then the 4th-lord will be in own-house; you will have good education and you will do well in your native place. If your Ascendant is Scorpio, then as your 10th-lord will be aspecting its own house, you will be successful in your sphere of profession and rise to a high position. If your Ascendant is Capricorn, then the 8th-lord will be exalted in the 4th; you will have good education and may immensely benefit by receiving big sums as loans from major financial institutions. If your Ascendant is Cancer, then the 2nd-lord will be debilitated in the 4th which may cause you unhappiness on account of your family and wealth. This position will make you inclined to secrecy and may arouse your interest in the study of occult or mystic subjects in which you may become an adept soon.

### Mercury

Since Mercury is situated in your 5th house, you will be very fortunate in many respects -- intelligence, merit, educational qualifications, rank in service or transactions in business, child-birth, etc. This will be more so if your Ascendant is Taurus as Mercury will be exalted or if your Ascendant is Aquarius as Mercury will be in own house. But if your Ascendant is Scorpio, you may not be very fortunate as Mercury will be debilitated -- unless Jupiter is well-placed. This position favours good gains from speculative investments, from film or sports magazines and dealing in sports goods. As Mercury aspects the 11th, you will have good earnings and will gain enthusiastic support from the educated people. If the 5th-lord or Jupiter is well-placed and if malefic planets do not influence it, your children will be very meritorious and with their accomplishments, will become a source of pride and joy to your family for ever.

### Venus

Since Venus is situated in your 3rd house, you will have a joyous spirit and a very much 'loving and giving' nature. You will be exceedingly fortunate in matters of love and affection, the relationship among family members will ever remain very peaceful and your spouse will be dearer than your life. You will have a amiable disposition, bright and fruitful intellect and a strong inclination for fine arts. You may have some success in your pursuit of poetry, music, singing or painting. You will enjoy pleasant travellings. If the Moon is in the Ascendant or in the 5th, you may have one or more costly and prestigious vehicles. If your Ascendant is Leo or Capricorn or Pisces, as Venus will be exalted or in own house, you will become very happy in respect of your younger co-borns and you may have good progress in artistic pursuits -- more so if a natural benefic planet is with it or aspects it. But if your Ascendant happens to be Cancer, as it will be debilitated, you may experience just the opposite results -- unless Mercury or the Moon is fairly well-placed. If your Ascendant is Capricorn while your Moon-sign is Taurus, or if your Ascendant is Pisces while the Moon-sign is Cancer, then you will be rolling in wealth and will have many prestigious vehicles.

### **Mars**

Since Mars is situated in your 12th house, you will be fortunate in respect of your (younger) co-borns -- particularly, brother; but if the 3rd-lord is not well-placed, then he may not be in good health or either of you may leave for staying in a distant place or you might be separated from him fairly early in your life. If your Ascendant is Taurus or Sagittarius or Aquarius, then you will enjoy beneficial results as Mars will be in own house or exalted; but if your Ascendant is Leo, then you may meet with some sort of misfortune in a distant or foreign place -- unless some modifying influences are present in your chart. If your Ascendant is Aries or Taurus or Gemini or Virgo or Scorpio or Sagittarius, then you will enjoy the benefits of 'Veepareeta Raja Yoga' as you will suddenly become rich in a spectacular way and turn many heads among your relatives and friends. This position indicates fear of effusion of blood from enemies in ambush or by kicks or thrusts from domestic animals. If a natural malefic planet is with it or aspects it, then you may have to go to a distant place, live away from your kindred and may incur the wrath of the out-laws or the Police but if a natural benefic planet is with it or aspects it, then you won't have any such problem.

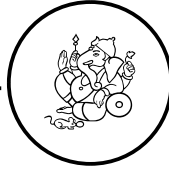

### **Jupiter**

Since Jupiter, the best of the natural benefic planets, is situated in your 2nd house, you will be very fortunate in respect of family, health, wealth, profession and longevity. You will have impressive looks and agreeable speech, have gains from various sources, lead a prosperous life and your possessions will increase. This will be more so if your Ascendant is Gemini as Jupiter will be exalted in the 2nd; if your Ascendant is Scorpio or Aquarius, Jupiter will be in own-house in 2nd and it will offer the auspicious results of 'Dhana Yoga' for it's other lordship. If your Ascendant is Leo, then the 5th-lord Jupiter aspecting the 10th will make you a person of rank and your reputation will remain un-sullied for ever. If your Ascendant is Sagittarius, then although Jupiter will be debilitated in the 2nd, by virtue of obtaining cancellation of debility (neecha-bhanga), it will make you rich. If Jupiter is with the Moon or aspects it, then you will be fortunate in many respects, enjoy divine protection and rise to a higher station in life.

As Jupiter will aspect the 6th- and the 10th-houses, you will remain in good health and will be very fortunate in respect of your profession -- more so if it is with the 6th-/ 10th-lord or aspects either or both. If it is with Mercury or aspects it, then you will have good education and have proficiency in many languages.

### **Saturn**

Since Saturn is situated in your 9th house, you will have a studious and thoughtful nature, a religious spirit and a taste for philosophy. If your Ascendant is Taurus or Gemini or Aquarius, then Saturn will be exalted or in own house and you will be exceedingly fortunate. If Mercury is also well-placed, you will have high education and for continuing higher education or researches, you may go to a distant place or a foreign country. If the Sun or the 9th-lord is also strong or if Saturn is associated with or aspected by Jupiter or Venus, your father might be a self-made person who would rise to an influential position and leave a raised platform for you for having an advantageous start. In other cases, if Saturn is neither associated with or aspected by a natural benefic planet, you may have a tempestuous sailing in your journey through life as you will have to face wide fluctuations. If Saturn

is associated with or aspected by a natural malefic planet, then you may incur sudden losses through deceit among marriage-relations and/ or through law-suits. If your Ascendant is Leo and Mars is not well-placed, then you may meet with some dangers during long journeys and incur losses in distant or foreign places; head-injury also appears possible.

### **Moon**

Since the Moon is situated in your 4th house, you are likely to remain attached to your mother. As the Moon obtains directional strength (Dik Bala), you might be very fond of home-life and your native place -- more so if the Moon is 'waxing' and/ or is associated with or aspected by Jupiter or Venus. You are likely to be fairly popular in a relatively late age-period and may have good gains through your public dealings. You have chance of having a modest fortune through inheritance and you may gain favours from married ladies. If your Ascendant is Aries, then the 4th-lord in own house will give you property -- more so if Mars is in the Ascendant or aspects it. If a natural malefic planet is also in the 4th, you may have changes of residence or you may face some problems in connection with your property-matters. If your Ascendant is Aquarius, then the 6th-lord exalted in the 4th will give you success in a competitive examination; if the 4th-lord is also strong, then you may study medicine and enjoy your life happily in company of your relatives.

### **Rahu**

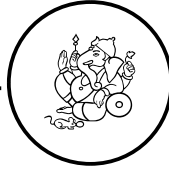

Since Rahu is situated in your 11th house, you will be fortunate in respect of your earnings -- although with some fluctuations; but it will be steady if the 11th-lord is well-placed or if a natural benefic planet is with it or aspects it. If Mars or Saturn is with it or aspects it, then you may devise ingenious methods for getting rich double-quick -- although in the process you may antagonize many people and invite the attention of punitive government authorities. If the Sun is with it, then you may have good gains from your father but if Rahu is within 6 degrees of the Sun, then the health and well-being of your father might cause you some concern during the Vimshottari Dasha/ Bhukti of Rahu or of the 11th-lord. If the Moon is with it, then you may have good gains from your mother but if Rahu is within 6 degrees of the Moon, then the health and well-being of your mother might cause you some concern during the Vimshottari Dasha/ Bhukti of Rahu or of the 11th-lord. As with this position, Ketu will invariably be in the 5th, you can gain expertise in computer operations very quickly but if Jupiter or the 5th-lord is not well-placed, then you may have difficult child-birth. If the 11th-lord is not strong, some of your friends may not be trust-worthy.

### **Ketu**

Since Ketu is situated in your 5th house, you will enjoy favourable results in certain respects. This will be more so if Ketu is in Scorpio but Ketu does not give very good results if it is in Taurus; but if the 5th-lord is well-placed or if it is associated with or aspected by Jupiter or Venus, you will be fairly happy and will have many acquisitions. Although your formal education may not be high or your family-life may not be very peaceful, you will direct your endeavours for achieving your desired goal of amassing wealth. If Mercury is also well-placed, Ketu in the 5th may make you an expert computer professional; alternately, you may have good gains from repairing of delicate equipments or by dealing in miniature components. If a natural malefic planet (except Rahu) aspects it or is situated with it, then it might cause difficult child-birth.

### **Uranus**

Since Uranus is situated in your 9th house, you may have peculiar experiences and face wide fluctuations; while some people and the prevailing circumstances around you might take you on the verge of losing mental balance during sometime in your life, at some other point of time you might tend to drive some people around you on the brink of madness. You may have misadventure in foreign lands, your marriage-relations may cause you troubles and you may face legal difficulties of unsurmountable sort. However, if Uranus is situated in airy signs (Aquarius or Gemini or Libra) and if it is associated with or aspected by Jupiter or Venus, then the situation will be considerably improved for the better. If Mercury is well-placed in your chart, then you are likely to have a taste for the occult subjects and might be engaged in antiquarian pursuits. If in addition the 8th-lord is associated with or aspects Uranus while it is either associated with or aspects the 10th-lord, then you are sure to acquire praiseworthy competence in predictive Astrology -- this will be more so if the

5th-lord is in the 5th-house in your chart or aspects it.

### **Neptune**

Since Neptune is situated in your 9th house, you are likely to be highly impressionable and possess a simulative, visionary nature. If Neptune is situated in a watery sign (Cancer or Scorpio or Pisces) or if the Moon or Jupiter or Venus is associated with it or aspects it, then you may even possess psychic faculties and if Mercury is also well-disposed, you may become a clairvoyant. You may have strange dreams and curious forebodings; if the Moon and Mercury both are afflicted by natural malefic planets in your chart by association or aspect, then you may have chaotic religious mania and might run the risk of having mental derangement. If Jupiter is weak or afflicted in your chart, then you may lose legal suits owing to fraud by trustees but if Venus is weak or afflicted instead, then your loss in legal battle might be designed by cunning people in collaboration with dishonest lawyers. Uranus in close conjunction or square or opposition might bring in unexpected troubles of very serious sort making you suffer for a long duration. If Neptune is retrograde, then you may have great disappointments and face difficulties in foreign countries.

### **Pluto**

Since Pluto is situated in your 7th house, your fortune is likely to be drastically changed after your marriage. You may even have to leave for a foreign country situated at a great distance from your birth/ native place where your surroundings, trend of affairs and life-style would become distinctly different -- much beyond your expectations. Of course, this does not mean unhappiness of any sort -- more so if the 7th-lord is well-placed. If you are a female, then marriage with a person in defence or other active service is quite likely in which case you would enjoy a high-status life-style but at the cost of incessant fear of losing your dearest anyday, anytime. If a natural benefic planet is situated with it or aspects it, you will lead a joyous and happy life but if a natural malefic planet is situated with it or aspects it, your spouse might be grievously injured or might all on a sudden disappear for which you may have to undergo untold agony.
