### TEST DE EVALUARE ÎNȚIALĂ

Anul scolar 2011-2012  
Limba engleză Clasa a XI- a LI

#### PARTEA I (60 de puncte)

1. Read the text below. Are the sentences 1-5 'Right' (A) or 'Wrong' (B)? If there is not enough information to answer 'Right' (A) or 'Wrong' (B), choose 'Doesn't say' (C). (20 points)

The resort of Blackpool is famed for many things like the Blackpool Tower and Circus, the Pepsi Max Big One at the Pleasure Beach and the historic tramway. Nevertheless, it is the Festival of Light and the Blackpool Illuminations that are the town's biggest attraction.

The Blackpool Lights shine each year for sixty six nights beginning in late August or early September to early November. They light up six miles (10km) of the promenade. It is a spectacular scene; one which is enjoyed by young and old. The show stretches from Starr Gate at the south end of the town to Bispham in the north.

There really are many options for seeing the lights. You can, of course, drive yourself, however a common mode of transport to observe the Lights is by tram. You will discover that the illuminated trams shape part of the show and give excursions that run the full span of the Illuminations. Another option is the Illuminations Coach Tour where you can sit back and have a fun-filled journey through the lights with expert commentary, behind-the-scenes secrets and informative facts, all provided by your personal Illuminations Guide.

The Blackpool illuminations are way more than just a show of lights. You have to see it for yourself to truly understand the experience. There are indeed many coloured lights but they are arranged in many different forms providing a regularly moving and varying show. You will find some sections which are best observed on foot as they are made up of illuminated panels providing an entertaining image show. There are also laser light shows that will no doubt amaze you. Some of the illuminations tell a story and even incorporate music and water fountains to provide the most impressive entertainment.
